

Hoddesdon Tri Club - Code of Conduct

Please ensure you are polite to all members of the public, race marshals and fellow athletes when training and competing. We pride ourselves on having a fantastic atmosphere and a welcoming friendly group and you must be respectful to all members of Hoddesdon Tri Club. There is no place for elitism in the club, and no one is considered more important than anyone else. We value competitiveness, and reward success and achievements at all levels, please do the same to your fellow teammates.

When cycling with the club or in club colours, it is important that you adhere to the Highway Code at all times. We train in areas with many other cyclists, horse riders and other road users and consideration and care should be given at all times. We pride ourselves in being a cooperative club. If you have the ability to help others through your experience or skills, we encourage you to do so. We look for ways we can make a positive difference within our community and work closely with the Borough of Broxbourne and other local authorities. For these reasons we insist all members conduct themselves in an appropriate manor at all times, be that during training, racing or socially.

There are also opportunities to help the club through events, becoming qualified in leading or coaching, or any of the many administration roles involved in our operation, and we are very grateful for any time you can give. We have a thriving junior section and encourage our younger athletes to aspire to become part of the senior team, you are seen as role models by our juniors, and we have a high expectation of conduct if we are training alongside them.

Photography / Videography

The club may wish to take photographs or videos of individuals and groups when training and competing. All photographs will be taken and published in line with BTF policies.
